@khsh97, see Told you AP Fire Truck Impossible on everything other than PC Version.. Main Statistics I Look at When Completing GTA San Andreas: Game Progress - 100 00% Number of Hospital Visits - 0 Times Busted - 0 Times Cheated - 0 Missions Attempted - 183 Missions Passed - 144 Gang Territory Under Control - 35.. I still haven't completed the game, so I'm looking forward to expanding my collection.. The one I have in this Save File is the regular one that is NOT AP But having it in regular form or AP form is the same thing, since this item can't be used. [mkv to mp4 fast way free download](#)
